Interest Bearing Account Options Also Available

Money Market Accounts
Savings Accounts
Certificates of Deposit

Additional Services

Online Cash Management Suite

Cash Management services offer a full spectrum of information reporting, risk management, and short-term investment solutions for business customers.

While these can vary from simple to complex, every business needs some level of cash management. The principles behind this help business customers by the following benefits:

1. Focus on operating cash and maximizing idle cash
2. Process money IN quickly and account for it
3. Manage money OUT efficiently and securely
4. Enhance information and control

Cash Management Products Include:

- Balance reporting
- Wires, domestic & international
- Automated Clearing House (ACH) services
- Zero Balance Accounts
- Positive Pay
- Sweep Services/Lines of Credit
- Online Banking

Cash Management Services can help increase cash availability, reduce costs, manage or reduce exposure to risk and accelerate access to and insights from data.

Merchant Services

Commercial customers have the ability to accept credit card transactions at their business locations.

With low monthly fees, easy equipment setup, and 24-hour exceptional customer service, you can easily offer customers flexible payment choices.

Business Loans

Millennium Bank wants to be your partner in growing your business, and we understand financing is an integral part of your success. Whether it's the need to purchase new equipment or expand your building, we have an option for you!

- Commercial real estate loans
- Construction loans
- Working capital/equipment financing
- Lines of credit/letters of credit
- SBA loans

All loans subject to credit approval

Business Credit Cards

- MasterCard credit cards available
- Employee cards at no additional cost
- Chip card security and fraud monitoring

Cards issued and serviced by third party provider
